ROUND 1 (Tippy D)

3:15

Yo (4x) Game? (crowd: Game!) **Game na?**

Umabot ka ng semis, kasi **tinalo mo si Badang**

**Dun pa lang panalo na ko eh**

Tsaka baka nalilimutan mo

Sabi ng **bes** mong hanggang utong lang

**Mas may tsansa ako manalo pag nagsolo nalang**

Oh shit

Mag-isa ko, mag-isa ka

Kala ko hindi na magbubunga ang itinanim ko na pag-tiya-tiyaga

Ginalingan ko sa career nang ating labanan ay maikasa

Sa huli, aanihin ko din palayan na parang magsasaka!

**"Taga-bukid!"**

Yan ang pang-asar mo sa akin noon na hindi ko itinanggi

Napakarami ko nang kinain na bigas kaya nga ko sabik na kumarne!

Tamang-tama yung inihain niyo sa akin kasi

**Bulalo ka raw**

Halata nga

Kase utak mo sabaw!

Pagarbo lang ang mga multis sa suntok

Mas importante ang hitters

Parang sumali ka sa boxing, tas nagbaon ka ng glitters

Yung mga verses mong yan kayang gawin ng beginners

Ikaw nga si **One Punchline Man**

Kasi puro ka **fillers!**

**Kaya kung pumunta kayo para sa bars?**

**Meron na ko ditong na-korner!**

**Papatayin ko tong adik na may multi-personality disorder!**

Yo

Minsan ka nang naging **pari** na nagpalayas ng masamang espirito

Tas naging **payaso** ma mas mukha namang may hepatitis na Piccolo

Salamat sa iyo di ko na kailangan ng katawa-tawa na liriko

Kase literal na ginawa mo nang katawa-tawa yang sarili mo!

Seryoso? Nagcostume ka ng payaso?

Kulang ka na sa class Loonie

Ba't ka nag make-up?

Nagmukha kang estudyante tira walang pasok nagpalit pa ng get-up

Oh kala ko ba nakikinig?

Sabi ko estudyante, walang pasok, nagpalit pa ng get-up

Patunay lang na kulang ka na sa class, kaya ka nag make-up!

Eto na ba foundation ng hip-hop sa Pinas?

Kung makapag-foundation, wagas?

Sige ako na mukhang tibo, ako na pormahang F4, ako na hindi tunay na hip-hop o mukha kong putapete

Pero kung ang ibig sabihin naman ng pagiging tunay ay pagcocostume sa stage? Okay na ko maging peke!

Ako na walang kanta, ako na di marunong magrap

Pero di niyo ba naisip?

Sampal yun sa mga tunay kung ganon

Kase ako na hindi marunong magrap ang naging bahagi ng battle of the year taon-taon!

At speaking

Speaking of taon-taon

Ilang taon kang Ilang taon kang sitting pretty sa trono mo

Di ka nanguna sa paglaban sitting pretty ka sa trono mo

Naturingan kang 'Hari ng Tugma' pero yung pagiging hari, hindi tugma sa'yo

Kung hindi pa mag back-to-back si Batas, hindi ka maaalarma diyan sa pwesto mo

How ironic

Batas ang nagpaupo sa hari batas din pala ang magpapatayo sa'yo!

Kaso malas mo, sumali ako, so sorry na lang

Kalagayan mo parang hairstyle mo, hanggang semi nalang!

At famous ka lang

Kaya kahit korni yung mga linya ay kanyang nabubuhay

But you will only give D Vitamins kapag dinaan mo ko sa sikat!

Buhay ko? Ikaw ang author ng back page

Tangina di na ko nagulat

Sobrang hina mo sa written yun lang ang kaya mong isulat!

Tahimik lang kalaban mo pero likas na halimaw to subukan mo kong gambalain

Buhay mo'y bukas na libro ito'y silid aklatan ko may paglalagyan ka sakin!

ROUND 1 (Loonie)

7:35

Yo! Yo! Yo!

Halos apat na taon na pala nung una tayo nagkakilala

Walang hiya ka

Tas san na yung **partner** mo dati na parang tanga

Wala ka na ngang nai-ambag sa kultura, nagsama ka pa

Tapos sabi nila

Pagdating kay Tipsy D, wag daw ako magtitipid ng sobra

Kase malaki na daw improvement niya, parang **leeg ni Gloria!**

Pwes wala akong pakialam kahit limang beses ka pang pinabagsik

**Galing ka lang din sa tamod ko, matagal na kitang pinatalsik!**

'Tipsy D'? Tunog gangster sa unang dinig

Pero sa unang tingin, mukhang **hamster** na puno yung bibig |

|

Yang higanteng pisngi mo, ang panget sa bidyo

Lalo na don sa battle niyo ni Sinio kamukha mo yung **puppet ni Jigsaw**

At kung akala mo pupuruhan ko yang pustiso mong namamaga

**Mali!**

Kung akala mo pupuruhan ko yang pisngi mong namamaga

Kamustahin natin yang ngipin mo **pag gi** pag binattle ko yan dalawang pustiso magagawa

Ano? Ngipin mo nanaman! Ngipin mo nanaman!

Bakit? Galit ka na?

Malamang titirahin ko pa ring malaki yan, bakit lumiit na ba?!

Hindi porket **10-1** ka mananalo ka na

Gago ka ba?

Lahat ng nakalaban mo bagong salta

Kaya pa'no ka pa makakatsamba sa akin kung panay stutter na nga si BLKD, natalo ka pa

Siya daw yung pinakagutom na rapper mula Bataan hanggang Maynila

Aba aba aba aba aba! Pambihira!

Kaya pala pag nagrarakap ka para kang nanghihina

Di niyo ba napapansin?

Tunog bading to si Tipsy D

Kahit ilang beses pa to magbayad ng shipping fee wala pa rin dating yung delivery

Nakakawala ka ng gana

**Celebrity boxing** nalang sana

Kaso sa laki ng ngipin mo sa harapan wala namang mouthpiece na kakasya

Mga hurado

Di niyo na kailangan pang pag-aralan ang mga bara

Kasi Round 1 pa lang, **nangangamoy** patay na daga na!

**Commented [PV37]:** \*Loonie looks at the camera, Tipsy D facing him\*

Speaking of daga  
Huling laban ni daga, basag yung mukha, punit pa yung nguso  
Pero panalo pa rin si Ratatouille  
Kasi nga ang lupit magluto!

Di ba nagchoke ka kay J-King, biglang nablangko ang kanyang utak  
Hindi na ko magugulat  
Mahirap talagang magkabisado pag may ibang tao kang taga-sulat

Tapos di pa marunong magfreestyle, kaya nagpapaka friendly tong bobo na to  
Kaya pa'no ka naging Einstein, kung wala ka naman palang MC sa formula mo!

Nandito na ang propesor ng propesor mo para turuan ka ng lesson  
Mas kabado ka pa sa batang tuturuan ng injection  
Mas nerbyoso ka pa sa tulak, na ibutan ng inspection  
Daga ka na nga dinadaga ka pa, ano yun Inception?

Wag mo nang pagkasya pagkasyahin yang mga bars mo, masyado nang stretch, Mark  
Kaya wala kang tumatatak na linya na parang stretch mark  
Hindi ikaw ang pamantayan umupo ka nalang sa bench, mark  
Dahil hindi ka beterano porket matanda ka na din, mark!

Alam kong marami kang handa para sa 'Hari ng Tugma'  
Kaso lang pag nagta-Taglish ka na ganyan  
Para kang nananarcastic na bakla Yang mukha mong mataba  
Gawin nating mas grabe yung maga Ito na ba yung tinuturing niyong bayani ng Balanga?  
Yuyupi to sa'kin parang kalye sa Balara  
At magmimistulang tae na basa ng pusang kalye na gala  
Kaya sa finals ng Isabuhay, wag niyo nang hanapin (crowd: tong wala!)  
Tong daga!

ROUND 2 (Tipsy D) 12:24  
Yo!

Ngayong second round  
Hindi magpapawala ng tao ang kuneho kaya wag ka magpanic  
Hindi naman illusion na talunin ka kaya bakit pa ko magma-magic  
Kakapanood ko ng balita lagi tuloy kita kino-konsulta kay Aric  
Buti nalang hindi ka nagback-out uso pa naman yung sumusuko na adik  
Yung baliktaran ko kay Fliet-G, mukhang applicable sa'yo

Dati, naghahanap ka ng bato, ngayon, bato na ang naghahanap (crowd: sa'yo!)

Chief dela Rosa, salute sir! Sa palagi niyong pagsisikap

Kalaban ko po ngayon, user, after nito paki-kidnap

Mr. President, di ako hater pero wag niyo naman targetin yung mahihirap

Hindi lahat ng adik nasa skwater yung iba nasa FlipTop!

Oh ano (2x)

Luto yung laban mo kay Shehyee?

Ilang beses ko pinanood yung video, ang wack nito

Yung panira mo basic parang straw lang at sago

Kumbaga sa panira ng bala ng tirador, puro magaan ang dala mo

Kasi bukod sa kidney wala namang masakit sa bato mo

Pero sa kabila ng lahat yan ang gusto ko sa'yo, lumalaban

Pero sa panahon ngayon, ang pagbattle nito sa akin ay kamangmangan dahil alam niyo naman kung anong sinasapit ng mga adik na nanlalaban!

Tulad ng sinapit mo doon sa may foreign na rapper

Nagmukhang evacuation area yung Araneta nung mabiktima ka ng Dizaster

"Let's make history" Wow, tamang-tama yung napili niyong paksa

Biruin mo, ikaw lang yung Pinoy na sinibak ng Arabo sa sarili mong bansa

Ang lakas ng loob mo hamunin si Dizaster dito ng matikas

Tapos yayabangan mo lang ng mga achievement mo sa Pilipinas?

Tanga ka ba?

Sir Mike Swift? Aba, pang-hype niyo lang ba 'to?

Kung ganon lang pala gagawin mo sana nag-Skype nalang kayo!

Binalewala ka tuloy ng kalaban mo oh diba nakakalungkot?

Parang naglecture ka sa klase tas lahat nakadukdok

Napanis na nga yung laway ko eh kakahintay ng suntok

Ah kaya pala Araneta Dreams kasi nakakaantok!

Ano ba naman yan idol, Loonie

'Hari ng Tugma'

Pero sige maiba tayong

Balikan naman natin yung pambabastos mo kay Ann B. Matedo

Tanong lang (2x)

Nasan ang creativity don?

Makata na ba yon?

Rap skill, unique, pinag-isipan, matatawag na talento ba yon?

Sige nga

Nagbayad kayo sa rap battle para makinig sa rapper tas ganong linya ang sisigawan niyo ng todo, seryoso?

**Commented [PV69]:** \*Loonie smiles for a split-second\*

**Commented [PV65]:** Loonie previously battled Dizaster in Araneta Coliseum for the 'Araneta Dreams' event.

Eh kahit hindi "battle rapper",  
kayang-kaya yung gawin basta walang  
modo!

Sige payag ako

Commented [PV70]: \*Tipsy D air quotes\*

Basta gamit nating pangkiskis eh yang  
sarili mong bato!

Commented [PV71]: \*Loonie smiles\*

Real talk gago

ROUND 2 (Loonie)

16:47

Kaya hindi ka sa'kin mas angkat, bantog  
ka lang

Mukhang pera na naman!

Hindi ikaw ang matalino sa lahat,  
panot ka lang

Mukhang pera na naman kung ano-ano  
nalang talaga sinasabi nito

Hindi mo habol maging alamat, kapos ka  
lang

Alam mo, masakit ang reality bro

At lalong-lalo hindi ka masakit  
magsulat, bastos ka lang!

Na yang 100,000 na hangarin ninyo

Commented [PV73]: The prize for the Isabuhay  
tournament champion.

Downpayment pa lang ni Aric ng talent  
fee ko!

Sa ibang babae gustong lumamutak, may  
asawa ka pa niyan

Kaya tangina mo!

Commented [PV74]: \*Loonie flips off at Tipsy D's face\*

Sobrang berde ng 'yong utak, nilulumot  
na ba yan?

Gusto mo ng bars?

Gusto mo ng bars?

Commented [PV75]: \*Loonie points at Tipsy D\*

Kanta mong Cerberus mala-burak, hindi  
naman sa pagmamaselan

Pagbibigyan kita kasi minsan lang to

Pero bakit ako papasok sa'yong utak,  
eh napakadumi niyan!

Sa dami ng bars na baon ko ngayon

Commented [PV72]: A line from 'Cerberus'.

Kahit sa elevator ng minahang bato may  
signal ako

Kaya yung kidney ni Marlon P, naunang  
sumuko na

Kung yung battle rap naging boxing

Kasi yung pagiging madumi, ay nasa  
dugo mo na

Talong-talo ka sa sapakan

Pinakamahusay ka sa tugma, aba  
nangyayamot ka ba?

Hindi tayo magkalebel, magkaiba tayo  
ng larangan

Eh kung magaling ka naman pala eh ba't  
naggagamot ka pa!

Yung istilo ko direkta, pang barako na  
bakbakan

Commented [PV76]: \*Loonie punches his fist\*

Yung istilo mo puro yakap, hanggang  
mapagod yung kalaban!

Commented [PV77]: \*Loonie clinches Tipsy D, as in  
boxing\*

Dapat sa'yo sinusunog, wag ka feeling  
malakas na nilikha

Oh di ba totoo naman?

Kung yung may lagnat nga inaapoy yung  
tulad mong may sakit pa kaya

Mas mahusay pang pumunto si Badang

Ano? Pustahan? Tignan niyo nga naman

Tugmaang parang lumpia na walang laman  
kasi ubod ng tabang

Commented [PV78]: Lumpiang ubod is a Filipino  
appetizer consisting of julienned ubod with various meat  
& veggies in a thin egg crêpe, usually deep-fried.

Mukhang pera talaga to

Tsaka pa'no to naging henyo kung panay  
Google yung alam?

Tandaan mo hindi ka si Einstein, si  
Kuya Kim ka lang

Parang gusto kong gamitin yung t-t-  
time machine mo pabalik sa nakaraan

Upang tadyakan yung nanay mo sa tiyan  
habang nasa sinapupunan ka pa lang

Kasi mas nakaka-umay pa sa Java Rice  
mag-analyze ng mga battle rhymes mo na  
Tagalized

Lalo mo lang pinapakumpli ka ng mga  
hashtag at mga multi sa dulo

Basta ako yung hashtag ko, sa umpisa,  
kasi ako yung numero uno!

Hashtag? Numero uno? Style mo yun gago  
Yang estilo mong pauso

Lirisismong walang punto

Hindi ka epektibo mang-insulto kasi  
mga linya mo hindi puro

Mag-Ta-Tagalog ka tapos mag-E-English  
ka sa dulo? Sino ka si Tulfo?

Anong gagawin mo?

Yung keyboard, magmimistulang giant  
sword?

Na isasaksak mo sa'kin parang CPU  
Tower Port?

Sasakalin mo ko ng imaginary power  
cord habang yung nanay ko walang  
magawa parang motherboard?

Nanay, walang magawa, motherboard

Pakyu!

Dapat kayo ni Sak Maestro naglaban  
pareho kayong Taglish magsalita

Kung yung ilong niya dumudugo lang sa  
kaliwa, sa'yo naman yung sa kabila

Tuwang-tuwa ka diyan sa pinaggagagawa  
mo

Kala mo naman napakabago

Tarantado nagmumukha ka lang matalino  
kasi ginagawa mong tanga yung mga tao!

"Yung mga lyrics ko advanced"

"Yung mga lyrics ko advanced"

Inuulit niya pa talaga para sa mga  
autistic niya na fans

Sige nga!

Mga maka-Tipsy ano bang malupit na  
sinabi niyan?

(crowd: wala!) Wala!

Parang New Year's resolution ni Aric  
Yuson

Narinig ko na dati yan

Binasag ko na 'tong daga na to noon  
buti nag-ci-click pa to

Ganon ba gusto mo?

Mas may originality pa yata mga writer  
ng GMA sa'yo

Hoy Roger Rabbit

Pangongopya ng obra ginawa mo na  
yatang hobby

Dapat record mo 10-4 kasi halos lahat  
ng linya mo \*pshhh\* copy!

Commented [PV79]: \*Loonie gestures typing\*

Commented [PV80]: "Kuya Kim" Atienza, a Filipino television presenter known for his trivia stints and science-envi shows.

Commented [PV87]: Nod to Sinio's line vs Sak Maestro.

Commented [PV82]: A style that Topsy D popularized where word/s would summarize the preceding line/s.

Commented [PV83]: \*Loonie looks at the camera\*

Commented [PV89]: Multiple people in the crowd responds.

Commented [PV90]: Crowd likely meant 'wala' as in 'nothing' but Topsy D also has a popular 'wala' scheme vs Flic-G (R1).

Commented [PV84]: Referring to the Tulfo brothers, broadcast journalists who speaks Tagalog mixed with English on-air.

Commented [PV86]: \*Loonie flips off at Topsy D's face\*

Commented [PV95]: \*Loonie makes the walkie-talkie (handheld transceiver) sound to the boom mic\*

Magaling mang-angkin yan ang angkin  
niyang galing

Sapagkat, tina-Tagalog niya lang yung  
mga linya sa King of the Dot

Ang weak mo mag-rap

Patapos na ang Year of the Rat

Pero mukha ka pa ring daga dapat mga  
beat mo pang trap!

Binisto na 'to nila Bassilyo at Miko  
hindi man lang natinag o nauga

Tuloy pa rin sa pagsipi ng mga titik  
at tugma, hindi ka na nakakatuwa

May halong laway ng ibang rapper kaya  
pala bumigat yung dura

Ikaw lang yung kilala kong malaki yung  
pisngi, pero matigas yung mukha

Nakakahiya pa

Tingnan mo kinakaila pa

Porket yung mga pinaggayahan niya na  
rapper hindi masyadong kilala

Maliban dun sa 'infinity' line na  
ginaya mo kay Dizaster

Daig mo pa record label sa dami ng  
ninakawan mo na rapper

Alam niyo yung 'dynasty'? 'Dynasty'  
galing lang yun kay Rum Nitty, ang  
tigas

Akala niya siguro porket siya lang ang  
may internet sa Bataan siya lang din  
ang may PC sa Pinas

Tapos yung sinabi mo kay J-King, kay  
J-King: 'Babawiin mo yung korona na  
may kasama nang ulo'? Beri gud yey!

Tinagalog mo lang yung sinabi ni  
Canibus kay LL Cool J

Sabi pa naman ng mga fans mo malalim  
ka nga raw

Kaso yung korona ko di mo maaaring  
maagaw

Yung mga bara ko kay Shehyee at kay G-  
Clown, di baleng mababaw

Basta pinapakain ko sa mga tao hindi  
galing sa nakaw!

Eh ikaw?!

Mga Pilipino niloloko

Dapat hindi 'to binoboto

Tinatagalog lang ni gago parang  
talumpati ni Tito Sotto

Kaya kung ako ang tatanungin

Di ka karapat-dapat mag-kampyeon!

Kalami nimo patyon!

Kung mahusay ka talaga

I-rebut mo lahat yon!

ROUND 3 (Tippy D) 22:16

Yo (4x) Yo (5x) Game (2x) Yo

Ngayong ikatlong round

Pag-usapan naman natin yung isa mo  
pang costume - ghetto priest

Aba malupit to

Nilabanan yung alien forcer ni Aklas  
para mailigtas ang mundo

Kaso ang nangyari, isinabuhay mo lang  
yung pagiging supot mo

Commented [PV96]: Crazy mix/Bassilyo has also  
accused Tippy D of line biting before in CB vs DD.

Commented [PV113]: Loonie set up a trap. In BID, he  
said he challenged Tippy D to rebut as a strategy after  
seeing him forget his lines against J-King after a rebuttal.  
If Tippy D rebuts, he might choke again; if he does not, the  
accusations would appear more credible.

Commented [PV97]: The 'sideways 8 - infinity' line has  
been used by Tippy D vs Sayadd in 2015, but four years  
prior, Dizaster also used a similar line vs DNA (KOTD).

Kasi yung pagiging pari ang patunay na hindi kami galing sa tamod mo

Oh ano

Magpapalusot na yan

"Tangina mo Topsy, isa talaga akong paring gangster, lahat kayo galing sa tamod ko kaya tawagin niyo kong Father"

Ulol

Ngayong gabi makakasama mo na amo mo

Naku malapit na

Kasi ikaw nga ang ama namin marapat lang na sumalangit ka

Kaya ngayon pa lang, saktan mo na sarili mo

Kasi mga kalokohan mo, umabot na sa kanya

Wala ka raw sawang sasampalin ni Kiko gamit ang kanang kamay niya

Kasi parang pinangalandakan mo na rin na sabay kayo kung gumamit ni manager

Tignan niyo yung imahe mukha nang bungo parang damit ni Punisher

Dapat sa mga traydor binabaril sa ulo ng .50 Caliber

Kasi ikaw lang ang kanang kamay na mas peke pa kay Jaime Lannister

Pagkatapos ng laban niyo ni G-Clown

Pagkatapos ng laban niyo ni G-Clown

Sinubukan mo bang manalamin?

Ang pangit mo diba?

Malaman pansin niyo rin

Yung make-up niya hulasa, larawan na kupas mala-Renz Verano

Lamang ka na nga sa props nangdi-distract ka pa ungas yan ba ang beterano?

Hindi ka na nga lumaban ng parehas parang Mexicano

Dinaig mo pa si Antonio Banderas sa pagiging desperado

Parang laban natin nung Dos Por Dos

Natalo daw kami dahil nagchoke si Third, malaking kalokohan putangina

Eh kada round namin panay mo kami ginugulo off-camera!

Lamang daw sila sa performance eh kaya ayun, umuwi sila na proud

Pa'nong hindi lalamang sa performance eh nagpeperform sila kahit hindi nila round!

Hindi niyo naman kasi alam yun kaya tingin niyo sa kanya, batikan

Kaya ka siguro nanggugulo non malamang ito lang ang dahilan

Wala kang tiwala sa sulat mo at sa sarili mong kakayahan

Wala kang puso ng kumpeyon ang meron ka body language ng talunan!

Kaya naman ngayon

Napakaraming alcohol nilunok ko pwede na kong pang-Guinness

Pangontra sa teknik mong dugyot bro mas kadiri pa sa ipis

Kaya ko lang naman sinabon to ng husto na para bang nililitis

Para patunayang madumi man maglaro to niligpit ko siya ng malinis

Parang sakong ni Achilles

Kahinaan mo aking asinta

Panggap ka lang na matulis parang bakla doon sa 'Mistah'

Ang wack mo sa digmaan mukha mo sobra pa sa pinta

Masakit man sa'kin ika'y tapakan kaso pagod na akong tingalain ka

Kaya naman ngayon

Ikulong ang pekeng legend sa selda na walang laya

Sniper ko'y Galaga sa maliit na space bala kayang tumama

Nakasipat sa siwang, tumba ang preso sa bintana

Laro mo pambata kaya kitang tapusin nang walang daya

Suntok tumatama, sigurado

Magcover man ng braso, pag nakakita ng opening pinapasabugan ko yung laso

Wag ka nang umasa sa finals all three rounds ka nang lampaso

Parang Heath Ledger sa Dark Knight ito na ang huling role nitong payaso

Mukhang gago

Kala ko tunay panggap ka lang pala

Kung noon pa kita nakasagupa'y matagal ka nang wala

At ngayong binawian ko siya ng buhay kayo ay may napala

Kaya sa finals ng Isabuhay wag niyo nang (crowd) hanapin tong (crowd: wala!)

ROUND 3 (Loonie)

26:12

Wag nang hanapin yung wala

Feeling magaling ka talaga

Diba sabi ng nanay mo manahimik ka nalang kung wala kang sasabihing maganda?

Pinuna-punana mo pa sa Flict-G dun sa 'final destiny'

Pero isa ka ring sabit na emcee

Kasi diba sabi mo kay Icaruz: "Super rookie si Topsy kaya this rapper is envy"

'This rapper is envy'? Dun pa lang panalo na ko eh

Mas matino pa yata sa'yo mga grammar ng Grade 3

Ano sinabi mo 'rapper is envy'? Tapos yung sinabi mo kay BLKD, yun ang mas classic, tawa ako ng tawa

Patay daw yung mga kalaban niya pag-ahon "parang biktima ng pating at piranha"

'Piranha'? Ha?

Piranha yon tanga! Tsaka sa ilog yun nakatira wala sa dagat don tanga!

Yan ang hiras sa kanya

Mahusay pumuna ng muta sa mata ng iba

Subalit kataka-taka na di makita yung dambuhalang trosong nakabara sa sarili niyang mga mata

Tanga-tanga

palabas

Hindi naman criminology yung kurso ng  
babae pero iniwan siya, para sa batas

Tapos hinayaan mo nalang diba para  
wala nalang away?

Kung sabagay, okay lang na kantot-
